The notice must inform the holder of the license or certificate of the need to renew and the requirement of payment of the renewal fee. (d) In administering an examination for licensure or certification, the agency shall make the appropriate application forms available at least thirty (30) days before the deadline for submitting an application to all persons wishing to take the examination.

(i) If the board makes a request under subsection (g)(4), the office of the attorney general shall conduct an investigation. Upon completion of the investigation, the office of the attorney general may file a petition alleging that the applicant has engaged in activity described in IC 25-1-9-4. If the office of the attorney general files a petition, the board shall set the matter for a hearing. If, after the hearing, the board finds the practitioner violated IC 25-1-9-4, the board may impose sanctions under IC 25-1-9-9. The board may delay issuing the renewal beyond the ninety (90) days after the renewal date until a final determination is made by the board. The applicant's license remains valid until the final determination of the board is rendered unless the renewal is denied or the license is summarily suspended under IC 25-1-9-10.

(j) The license of the applicant for a license renewal remains valid during the ninety (90) day period unless the license renewal is denied following a personal appearance by the applicant before the board before the end of the ninety (90) day period. If the ninety (90) day period expires without action by the board, the license shall be automatically renewed at the end of the ninety (90) day period.

(k) Notwithstanding any other statute, the agency may stagger license or certificate renewal cycles. However, if a renewal cycle for a specific board or committee is changed, the agency must obtain the approval of the affected board or committee.

(l) An application for a license, certificate, registration, or permit is abandoned without an action of the board, if the applicant does not complete the requirements to complete the application within one (1) year after the date on which the application was filed. However, the board may, for good cause shown, extend the validity of the application for additional thirty (30) day periods. An application submitted after the abandonment of an application is considered a new application.
